FORSMAN'S Portable grinding & bolting FLOUR MILLS.

HAVING MADE AN ARRANGEMENT with the Patentee, we are now prepared to formish to order the above Mills, of any size, burrs and bolts. The Mill's simple in its construction, hay-ing very little machinery occupying but little space, and warranted to do more work with the same amout of nower, and make as good a quality of flour, as any Mill now manufactured. Preprietors of Saw Mills, eep-clainy those that one ateam, would find it to their advantage to purchase one of these Mills, for the purpose of doing custom grinding—either wheat, corn or other grain. The Mill will be sold with or without the boil. The principle of the Mill is equally applicable to the construction of large Merchant Mills, and persons about to baild, would do well to call and examine. We will also furnish with the Mills, Rolling Reels of any size and length, Smit Machines, Wheat Ceapers, Flour Fackers, etc.

Orders respectfull sticited.
